The Following Topics that were Beyond the Scope of this Course

- This Course did **not** make you a Stucco Inspector or Stucco Forensic Expert.

- This Course did **not** make you a Stucco Repair Contractor.

- This course did not address all conditions or local standards that might be encountered. Check with a Certified Stucco Inspector, manufacturer’s technical department and/or local building officials for clarification of unique conditions.
Disclaimer

While we have attempted to ensure the accuracy of the content of this course a home inspector may discover discrepancies with local standards and practices; the home inspector should recommend that the home owner have these discrepancies resolved by consulting with a stucco expert to evaluate the manufacturer’s technical department requirements as well as the local Building Officials requirements.
